## ABOUT ME

Aspiring Frontend-focused Full Stack Developer with a strong foundation in UI development and a good understanding of backend technologies. A quick learner with hands-on coding experience and a strong problem-solving mindset, passionate about building responsive and user-friendly web applications.

## EDUCATION

**Master of Computer Applications** till 2<sup>nd</sup> Sem CGPA: 8.23

Jodhpur Institute of Engineering & Technology  
Jodhpur, Rajasthan

**Bachelor of Computer Applications** Percentage: 59.75%

Mahatma Gandhi Kashi Vidyapith University  
Varanasi

## SKILL

- |              |           |             |                  |
|--------------|-----------|-------------|------------------|
| • HTML5      | • ReactJS | • Canva     | • Git and Github |
| • CSS        | • MySQL   | • MS Office | • Vercel         |
| • JavaScript | • C, C++  | • UI/UX     | • MongoDB        |

## WORK EXPERIENCE AS INTERN

Worked as a Full Stack Developer Intern at Swaastik Solutions with a primary focus on frontend development, where I contributed to live projects and built responsive, user-friendly web interfaces. Gained hands-on experience in backend technologies, and acquired practical knowledge of Figma for UI/UX design and prototyping.

## PROJECT

**Open source contribution to [TechieHelp.in](#)**

[GitHub Link](#)

- Collaborating on frontend enhancements by building responsive UI and improving user engagement through streamlined navigation and modern, accessible design layouts.  
Tool: VS Code & GitHub

**Online Doctor Appointment Frontend**

[server Link](#)

- About Project : Easily book appointments with licensed doctors online—quick, convenient, and hassle-free.
- Library: ReactJS      Tool: VS Code, MongoDB, GitHub, Vercel

**Online Chat Application**

[Server Link](#)

- About Project : This offers chatting with friends and colleague with feature user login, registration, profile update and sharing text as well as media in chat.
- Library: ReactJS      Tool: VS Code, MongoDB, GitHub, Vercel

## CERTIFICATES

---

- **HTML Essentials**  
Cisco Networking Academy
- **Introduction to Cybersecurity**  
Cisco Networking Academy
- **Network Defense**  
Cisco Networking Academy
- **Introduction On Intellectual Property To Engineers And Technologists**  
Swayam – NPTEL
- **Ethics in Engineering Practice**  
Swayam – NPTEL

## EXTRACURRICULAR ACTIVITIES

---

- **Editor – College Monthly Magazine** [Work](#)
  - Tech: Canva/Excel
  - Jodhpur Institute of Engineering & Technology
