| • CSS 4 | • NodeJs | • MongoDB | • C, C++ |
| • JavaScript | • ExpressJs | • Vercel | • MS Office |
| • Tailwind CSS | • MySQL | • Render | • Canva |

WORK EXPERIENCE AS INTERN

TechieHelp	December 2025 - Present
Worked on the company's core platform and official website by supporting new feature development, improving UI/UX, and ensuring smooth performance. Alongside technical work, regularly interacted with clients to understand requirements, explain solutions, resolve issues, and manage follow-ups. Collaborated closely with internal teams, contributed to bug fixing in client and open-source projects, and helped deliver reliable, user-friendly solutions that meet both technical and business needs.	
Swaastik Solutions	June 2025 - August 2025
Worked as a Full Stack Developer Intern at Swaastik Solutions with a primary focus on frontend development, where I contributed to live projects and built responsive, user-friendly web interfaces. Gained hands-on experience in backend technologies, and acquired practical knowledge of Figma for UI/UX design and prototyping.	

PROJECT

Open source contribution to [TechieHelp.in](https://techiehelp.in)

[GitHub Link](#)

- Collaborating on frontend enhancements by building responsive UI and improving user engagement through streamlined navigation and modern, accessible design layouts. Tool: VS Code & GitHub

Online Doctor Appointment

[server Link](#)
